Good Afternoon Mrs. Bell,

I spoke with Sgt. Case from OVB Hope and advised him of the location. Due to adverse weather conditions approaching Wednesday and Thursday (Dec 5th-6th) the HOPE team will not be able to address the location this week. Sgt. Case informed me that he would assess the RV, and address hazards including bulky items surrounding next week during enhanced services.

I understand there are bulky items placed on top of the RV. I have CC'd a new member in the UHRC her name is Danielle Maldonado from Sanitation who if needed can assist with those bulky items on RV.

Thank You

Respectfully,

Police Officer II Ramirez, Marco #40604

Can we please assist with this motor home. From the pictures it appears that there is minimal debris on top.

Good afternoon Team,

We returned this morning and requested Pepe's Tow to assist. They responded to the location with their truck, assessed the vehicle and advised our officer that they would not be able to tow it due to the loose items on top of the motor home. When moved they would fall off of the vehicle and cause a hazard. The officer advised control and requested that we contact Sanitations to assist but none was available. The OPG driver hook his stinger up to the RV and push it back to clear the driveway and advised us that they will return once the debris has been removed from the top of the RV.

While at the location awaiting OPG, residents and constituents spoke with our unit and advised him that the person living in the vehicle was transported by R/A units earlier this week and has not returned since.

Debris that need to be removed.
